ABOUT ME

Enthusiast in cybersecurity, malware analysis, and Windows-based software development.

WORK EXPERIENCE

BlueIT S.p.A. – Monza, Italy

City: Monza | Country: Italy

Cyber Security Engineer

[02/2025 – Current]

Managing a Security Operations Center for medium-sized enterprises, leveraging technologies including Wazuh, WithSecure, and Clavister.

TIM S.p.A. – Milan, Italy

City: Milan | Country: Italy

SOC Analyst L1 (Consultant)

[09/2024 – 02/2025]

I work in Telecom Italia's 24/7 SOC, protecting over 20,000 critical systems through advanced log analysis and continuous monitoring, using tools like CrowdStrike EDR and Splunk SIEM.

AGM SOLUTIONS – Milan, Italy

City: Milan | Country: Italy

Cyber Security Analyst

[01/2024 – 09/2024]

In my role, I am dedicated to providing specialized Cyber Security consulting to high-profile clients, helping them protect their critical infrastructure, sensitive data and reputation in an increasingly complex and evolving digital landscape.

Betacom Group – Milan, Italy

City: Milan | Country: Italy

Java Developer

[06/2021 – 06/2021]

During my 4th-year internship, I worked with Java, C#, and Angular, developing projects that strengthened my coding, application management, and problem-solving skills, while gaining a solid foundation in software development.

EDUCATION AND TRAINING

Associate Degree EQF 5

ITS Angelo Rizzoli [10/2022 – 06/2024]

City: Seregno | Country: Italy | Website: <https://www.itsrizzoli.it/> | Field(s) of study: Cyber Defense | Level in EQF: EQF level 5
